

April 20, 2016

'Inbound tourist special counter' and 'Voucher exchange special counter' are set up at Kansai Station

Nankai Electric Railway will open new 'Inbound tourists special counter' and 'Voucher exchange special counter' at April 27(Wed) in order to strengthen the guide for inbound tourists and make the issue of ticket become more smoothly.

1. Set up Day

April 27(Wed), 2016

2. Set up Counter

(1) Inbound tourist special counter (new set up as Nankai Ticket Information)

a. Purpose

In order to strengthen the guide for the increasing inbound tourists

b. Service content

Foreign language speaking staff will introduce the tourist spots; access and discount ticket/pass to tourists destination and sale the most suitable tickets to meet inbound tourists' needs. (Business hour: 10:00am-9:00pm)

(2) Voucher exchange special counter

*A ticket issue machine is added at the counter for voucher exchange.

a. Purpose

To ease the crowded conditions when the flights arrives during rush hours, and speed up the ticket issue process.

b. Service content

Voucher exchange (Passengers can buy a voucher in advance at cabin, e.g. Peach Airline・ Web・ travel agents, and exchange for the ticket at the station)

Now (there are three ticket issue machines)

Set up 'Inbound tourist special counter' (red) ・
